April 21, 2022

Dear Parent:

Little Angels Academy is excited to introduce our kindergarten and 1st grade programs. Little Angels Academy has an established reputation for academic excellence, and we are confident that we will continue to maintain our high standard in the Kindergarten and 1st grade programs.

We use the Abeka curriculum, which is an affiliate of Pensacola Christian College, and is widely known for its excellence in education and character training. We also supplement a number of other educational resources. Our K5 and 1st grade student also take the SAT exam and scores above average each year. Our continued commitment to academic excellence and character development has placed our graduates among the best when competing with other students from schools in the community. For the past thirteen years, our graduates have consistently been placed in gifted programs in the Public Schools following their matriculation with us. They have also received multiple awards for academic excellence, and some are members of the National Junior Honor Society.

Little Angels Academy is committed to employing qualified teachers to teach our kindergarten and 1st grade programs. **The kindergarten and 1st grade children wear red cotton shirt (long or short sleeves) with the school's logo embossed in white. Boys wear Khaki pants and girls wears skirts, or shorts. Uniform is required and they can be purchased at Miami Uniforms located at 9851 E. Fern St. Telephone 305 255-3252 (across from the Goodwill store).**

We encourage you to enroll your Kindergarten and 1st grade student at Little Angels Academy where excellence in instruction and training is guaranteed. In these unprecedented times with the still threat of the coronavirus, the option of a qualified small group setting is the best for kindergarten children. The small teacher/pupil ratio, our Christian environment, expanded physical facility and continuity for your child are some of the reason to get onboard. Tuition information is attached. You can also apply at www.stepupforstudents.org. The Step Up For Students Program offers scholarship to children K-12 grade.

We look forward in seeing your child enroll in our kindergarten program for school year 2022-2023.

Yours truly

Lola Taylor-Jones

Dear:

Thank you for choosing Little Angels Academy's first grade program for your child's education for the 2022/2023 school year. It is our goal to ensure that your child receives a first grade education that is above average. Since the initiation of this program, there has been a high success rate with our students. Our children who graduate leave to higher educational institutions as exceptional students. I can assure you that your child will receive the same high quality education.

Your scholarship is in the amount of \$..... for the 2022/2023 school year. Little Angels Academy registration, supplies and testing fees total \$ and the yearly tuition is \$ **You are required to pay the tuition balance no later than Friday August 3, 2022, in order for your child to be accepted in the program.** If your child will attend the before and after school programs there will be an additional fee of \$110 per week.

If you have the school readiness voucher, please inform the ELC that your child is now in a before/after school program and they will assess you what to pay the school for before/afterschool care.

Please sign below and return no later than Monday June 25, 2022 indicating your consent to the obligation of the registration, supplies, testing fee and weekly m payment.

Yours truly

Lola Taylor
Director
